

OUR FOOD SAFETY POLICY

Darfords Industries Limited is committed to implementing a food safety management system that provides safe food products for our consumers.

In pursuit of this commitment, Darfords Industries Limited shall implement a food safety management system based on FSSC 22000 V6 and other applicable statutory and regulatory requirements, mutually agreed customer requirements related to food safety.

We will endeavor to

- Ensure that our products meet and exceed our customer's food safety requirements.
- Train our staff and enhance their competencies related to food safety.
- Communicate our food safety policy to all our stakeholders.
- Review our food safety objectives to improve our food safety management system.
- Effectively communicate information on food safety issues across our business with suppliers, customers, regulators, and other relevant stakeholders.

Darfords Industries Ltd shall review this food safety policy to enhance continual improvement of the food safety management system.
