

OUR QUALITY POLICY

Darfords Industries Limited is committed to providing consistent high-quality products and services that meet customer, statutory, and regulatory requirements.

In pursuit of this commitment, Darfords Industries Limited shall implement a food safety management system based on FSSC 22000 and other applicable requirements.

We will endeavor to

- ☒ Develop products that meet customers' requirements.
- ☒ Respond quickly to customer complaints.
- ☒ Meet the needs and expectations of relevant interested parties in our business.
- ☒ Maintain and continually improve an effective Food safety management system which meets the requirements of FSSC 22000 standard, statutory and regulatory requirements.

Quality objectives have been set to support this policy, and the changing context of Darfords Industries Ltd. Top Management shall continually review the quality objectives and this Policy for continuing suitability.

Signed

Chief Executive Officer
